

## New beginnings.....

### 2008 the year that will be...

The new year is here and with that comes the shifting of gears and setting into motion of new plans and ideas of way to move the sport we all know and love to higher levels.

The provisional calendar for the year has been posted and by now person should at least be aware of some of the major dates for events of interest.

One of the new items on this years calendar is a Scrutineering Day slated for Sunday February 3, 2008. Much detail on that particular event is not yet out but should be forthcoming at the next Club night meeting of the JMMC to be held on Wednesday January 9 at Curphey Place.

Rally Jamaica 2007 was a success for the Club and plans should already be in motion to build on the momentum of this event to make Rally Jamaica 2008 an even more spectacular event.

JMMC prize giving should be held in February also although not shown on the Provisional Calendar. The tentative date originally set for this event is Saturday February 2, 2008. More info on that event should also be available at the next club night meeting.

The continuation of social night activities should also step up in 2008 as well as other member benefits, be sure to check back for updates.

**Go out and support the Karters. The Baby Karters are our future and they are a sight to behold going around the track. Take your family out for a nice day of racing and family fun!!**

### Thoughts to ponder...

*Character is who you are, Reputation is what people think you are.*

*The paradox of our time in history is that we have taller buildings but shorter tempers, wider freeways, but narrower viewpoints. ....*
