Jamwest Enterprises
Old Hope, Little London

Dear Jamwest Enterprises,

The JMMC Competition Subcommittee (CS) has received and reviewed the Chief Steward's Report of the Caribbean Motor Racing Championship held at Jamwest Speedway on May 12 & 13, 2018.

We note the following communicated by the Chief Steward.

- Event Secretary absent from Registration for 90% of the race meet. This is a critical function for the race meet.
- The area for Timing and Stewards was not sterile; Sponsors were allowed to congregate in the same general area. This area should be kept sterile so as to minimize the potential for confusion etc.

The Chief Steward also submitted the following recommendation.

- Location of Timing and Stewards as currently placed in center of track is not ideal, as it is not easily accessible by marshals nor competitors. The current location also makes radio communication difficult. A location at the end of the current Pit Lane, in line with the Start / Finish Line would be more suitable, providing access from the Food Court area.

The JMMC CS provides this information for guidance purposes only; this is not a rebuke of Jamwest Enterprises. Overall, Jamwest Enterprises was found to have staged a successful event in challenging circumstances.

We trust you will be guided accordingly.

Regards,

Stephen Gunter
Chairman
