Mr. David Summerbell Jnr  
Organizer  
JKA Meet #5

Dear Mr. Summerbell,

The JMMC Competition Committee apologizes for our delayed response in regard to Chief Steward Mr. Peter Wong Steward's Report for the JKA Meet #5 event on August 19, 2018. This was due to an internal communication error.

Kindly note the following as reported by Mr. Wong.

### *"Tire Barriers*

*Races were run in the reverse of the direction normally run. With this change of direction, we noticed a gap in the tire barrier at the double apex corner and had the barriers repositioned.*

*Further to this change, we recommend the following alterations to barriers whenever race course direction is reversed:*

*1) a movable barrier to block the short cut at the double apex corner used for 50cc races. Note: since the race track runs directly behind this corner, the tires should be cabled together to ensure that if they are hit by a kart, they do not hit other racers who may be on the track behind the corner.*

*2) open sections along dirt mound running along northern perimeter of sea in proximity to reverse course corners 3 and 6*

### *Racing numbers*

*We must commend the JKA for their efforts to get competitors to comply with the rules regarding numbers. We saw a significant improvement and encourage the JKA to move towards 100% compliance. Perhaps a sign company can be on hand at the next race meet to produce vinyl numbers for those karters whose number plates are out of specification. Spectators, commentators, officials will benefit."*

We provide this information for your guidance in future events.

Regards,

Stephen Gunter

JMMC Chairman
