Dear Mr Williams,

The JMMC Competition Subcommittee (CS) conducted a hearing of a complaint on May 28, 2019 for which specific reports were requested of the JKA. A copy of the Hearing Report is attached for your reference.

The CS hereby advises you of the following.

- 1) Consider this an official Reprimand of the JKA for failing to submit the requested Chief Scrutineer's Report.

In addition, the JMMC CS hereby orders the following.

- The karts within the Top 3 which failed carburettor float level inspection for Final 1 of the Micro, Mini and Junior classes be so noted on official documents.
- The official results be amended to reflect the inspection failure of the karts within the Top 3 which failed carburettor float level inspection for Final 1 of the Micro, Mini and Junior classes.
- The positions of the karts within the Top 3 which failed carburettor float level inspection for Final 1 of the Micro, Mini and Junior classes be vacated.
- Withdrawal of Final 1 points for all competitors who failed Technical Inspection in Final 1 of the Micro, Mini and Junior classes.
- All other karts retain their finishing positions and points.
- JKA to adjust all relevant championship scoring accordingly.
- In all future events where karts are tested for technical compliance, at least the Top 6 finishers of each race be tested so as to avoid the question of unknown legality of potential podium finishers should results need to be adjusted after Protest or similar action.
