The JMMC will state reasons for its decisions.

1.2.3 If an Automobile is found not compliant with the applicable technical regulations, it shall be no defence to claim that no performance advantage was obtained.

ARTICLE 1.3 NATIONAL CONTROL OF MOTOR SPORT

1.3.1 The JMMC is recognized by the FIA as the sole international sporting power for the enforcement of the Code and control of Motor Sport throughout Jamaica.

ARTICLE 1.4 COMPETITION RULES

2.1.2 Official documents

2.1.2.a For all Competitions, unless provided for within specific JMMC regulations, official documents must be drawn up, among which must always figure the Supplementary Regulations, an Entry form and an Official Programme.

2.1.2.b If any condition contained in these official documents is contrary to these Regulations or the Code, it shall be of no effect.

2.1.3 Statement to be made on all documents concerning a Competition

2.1.3.a All Supplementary Regulations, Official Programmes, and Entry forms relating to any Competition shall clearly bear the following statement: "Sanctioned by the Jamaica Millennium Motoring Club and held under the FIA International Sporting Code including Appendices and under the Motor Sport Rules and Regulations of the JMMC".

6.7.2 The composition of these heats may be modified if required, but only by the stewards.

ARTICLE 6.8 DEAD HEATS

In the case of a dead heat, the Competitors shall either share the prize allotted to their place in the classification, and the following available prize or prizes, or, if all the Competitors agree, the stewards may authorise a further Competition restricted to the Competitors concerned, and impose conditions therefore, but in no case whatsoever shall the first Competition be re-run.
